Official Inspection of Rail Freight Wagons

Dear Partner!

According to the information from the police we hereby inform you, that the **complete official inspection of incoming rail freight wagons by the authorities is planned in December at Gyékényes border station. The inspection is going to happen on a single occasion, for a period of 24 hours.**

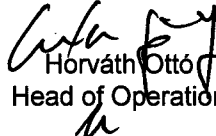

According to the information the inspection of the rail freight wagons will take 1-3 hours.

As a result of the official inspection the duration of the border control might be longer, thus there might be delays in the planned forwarding times.

We ask for your kind understanding for any inconvenience the inspection may cause.

Best regards,

József Gábor
Head of Commerce
